Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.2(c) prohibit a political committee which is established and maintained by a national political party, and any affiliated committees, from accepting contributions in excess of \$15,000 in a calendar year from a multicandidate political committee.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If any contribution you received exceeds the limits, you must refund the excessive amount.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any refund. In addition, refunds should be disclosed on Schedule B supporting Line 28 of the report covering the period during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), your prompt refund of the excessive amount will be taken into consideration.
